CONJUGATION CHART

EXAMPLE: tocar

To conjugate a verb, you must first take off the infinitive ending, leaving just the stem.

For 'tocar', the infinitive ending is –ar.

After taking it off, that leaves the stem 'toc'.

Now you need to add the appropriate ending connecting to the appropriate subject.

Subject Pronoun	Ending to add to the stem	Example	Subject Pronoun	Ending to add to the stem	Example
yo	- o	toco	nosotros, nosotras	- amos	tocamos
tú	- as	tocas	vosotros, vosotras,	- áis	tocais
él, ella, Usted	- a	toca	ellos, ellas, Ustedes	- an	tocan
